

Homewood Suites by Hilton Opens First All-Suite Hotel in the Carmel Valley/Del Mar Area 2005-06-07

Homewood Suites by Hilton(R), the national brand of upscale, all-suite, residential-style hotels, announced the opening of the 120-suite Homewood Suites by Hilton hotel in San Diego/Del Mar, Calif. The new opening introduces Homewood Suites by Hilton brand into the San Diego market.

The property is owned by Del Mar Hotels, Inc. and managed by R.A. Rauch & Associates, Inc. The newly constructed hotel represents another addition to the growing roster of more than 150 Homewood Suites by Hilton hotels nationwide.

"Featuring 120 suites, the Homewood Suites by Hilton will cater to guests seeking suite accommodations, especially those staying five nights or more," said Hotel Manager Robert Rauch. "The hotel will be the only all-suites property serving the Carmel Valley/Del Mar area and local businesses will benefit by having an extended-stay Hilton brand hotel in the immediate market, while leisure travelers will have a new and exciting lodging option in San Diego."

The Homewood Suites by Hilton San Diego's address is 11025 Vista Sorrento Parkway, San Diego, CA. Conveniently located just north of the I-5/805 merge at the intersection of Vista Sorrento Parkway and Ocean Bluff Drive, the hotel is centrally located within 20 minutes of all area attractions, including SeaWorld, Legoland and the World Famous San Diego Zoo and Wild Animal Park.

The four-story Homewood Suites by Hilton features residential-style studio, one-bedroom and two-bedroom suites with fully equipped kitchens and spacious sleeping and living areas that are large enough for work, study, entertaining or relaxing. In an effort to help guests be more productive, the Hilton Family of Hotels custom designed its own clock, featuring one of the easiest-to-set alarms. What's more, the new clocks also feature a connection cable for MP3 players and other portable music devices including I-pods, an addition Hilton made after research revealed that consumers prefer to maintain their own music lifestyles while on the road.

Launched in 1989, the Homewood Suites by Hilton brand today has more than 150 hotels open with another 85 in the pipeline. Beyond its spacious two-room suites and home-like amenities, Homewood Suites guests can find at each hotel an on-site Suite Shop(R) convenience store, exercise facility, and guest laundry at most locations. Guests can also enjoy a daily complimentary Suite Start(TM) hot breakfast and a Welcome Home(R) reception+ featuring a complimentary light meal and beverages Monday-Thursday evenings. Additional guest services at Homewood Suites by Hilton hotels include a complimentary grocery shopping service* and a complete business center at most locations. The Homewood Suites by Hilton - San Diego/Del Mar also features a swimming pool and spa.
