2005-12-14

---

BringYourPet.com, a leading pet friendly lodging directory announces a significant increase in Web site traffic for the 2005 season.

Company spokesperson for BringYourPet.com, Brian Bailey says, "It's more or less par for the course. We've watched our Web site traffic and general inquiries grow by leaps and bounds over the past couple of years. We experienced a 30 percent increase in Web site visits this Thanksgiving over last year. With the upcoming holidays, we'll probably see the same type of curve. It's no new news that more and more pet owners are traveling with their pets and more hotels out there to accommodate them.'
