The Los Angeles market welcomes its 16th Hampton Hotel

Hampton has opened nine properties in June 2006-- representing 756 new rooms. The new openings include four Hampton Inn hotels and five Hampton Inn & Suites, including the brand's sixteenth property to open in the greater Los Angeles area. All openings are franchised, newly constructed hotels.

'Our expansion of the Hampton product to the western region of the U.S. continues to grow this month with the opening of five hotels west of the Mississippi,' said Phil Cordell, senior vice-president, Hampton Brand Management.

'As we grow our brand in the U.S. and internationally, we continue to offer our guests a comfortable and affordable lodging choice with the benefits of complimentary breakfast, complimentary high-speed Internet access and the consistent friendly service experience that has made the Hampton brand a segment leader,' added Cordell.

The next step for Hampton is the introduction of their new bedding package, featuring a crisp, white duvet cover, enveloping a plush comforter with 200-thread-count, white sheets and the guest's choice of down or foam jumbo size pillows. The new bedding package will be available in all Hampton hotels by year end 2006.
