

Bennigan's Adds Guinness Grill Items to Menu

2006-11-07

Bennigan's has officially added their signature Guinness Grill entrees and appetizers as a permanent part of the menu.

As a result of the strong response to the items, Bennigan's introduced the Guinness menu to rave reviews nationwide in May. The chain has decided the items will be available full time. The Guinness menu includes dinner entrées like the popular Guinness Glazed 'Oh, Baby' Back Ribs and lunch favorites like the Guinness Glazed BBQ Bacon Cheeseburger.

'The great feedback we received from our guests tells us we absolutely should make this a permanent feature on our menu,' said Clay Dover, vice president of marketing. 'Guests love the combination of the tangy Guinness Stout and the sweetness of our glaze, especially on the ribs.'

To kick off the new menu Bennigan's will offer specials on rib combinations including Barbeque Chicken, Top Sirloin, Golden Chicken Tenders and Cajun Shrimp. The promotion will also introduce the Tavern Sampler, which gives customers a variety of Bennigan's favorite appetizers such as Potato Skins, Cheeseburger Egg Rolls and Southwest Egg Rolls.
