

Hotels Increase Revenues with BringYourPet.com

2007-01-30

With an estimated 36 million plus households owning at least one pet and pet friendly travel becoming an increasingly popular trend over the past decade, many hotels have extended their market reach and found success with BringYourPet.com.

BringYourPet.com (www.bringyourpet.com) features color photos, complete descriptions, amenities and rates. Detailed area information maps out locations and announces promotional discounts and last minute specials.

Some of the many benefits to Web site visitors include a free newsletter, travel tips and pet-savvy information, as well as links to other travel and pet-related sites. BringYourPet.com brings millions of pet lovers and pet servers together into one pet friendly travel community.

Spokesman Brian Bailey said, 'Our staff works very hard to find caring, affordable and high quality places to accommodate pets. We continue to add helpful services and top notch lodging to our Web site to help ease the stress of finding pet friendly lodging.'
