

Vince Llanes Joins ReServe Interactive as Sales Associate

2007-03-12

ReServe Interactive announces the hiring of Vince Llanes as a sales associate for its suite of hospitality management technology products, including Catering and Event Management, Dining Reservations and Table Management software.

Llanes comes to ReServe with more than 20 years of practical sales and account management, operations, marketing and customer service expertise.

'Vince brings to ReServe Interactive enthusiasm, passion and an extraordinary commitment to customer service,' said Beth Goodell, president of ReServe Interactive. 'He will add tremendous value to our organization as we continue to grow.'

Llanes will be responsible for identifying and cultivating new accounts, as well as managing and servicing an existing, national customer base.

ReServe Interactive specializes in Catering, Event Management, Dining Reservations and Table Management applications for the hospitality industry and is the only integrated solution for managing banquets and restaurant reservations in one system. ReServe Interactive software is suitable for a variety of hospitality venues including hotels, restaurants, sports and entertainment facilities, golf clubs, private clubs, cultural institutions and wineries. The company brings more than two decades of experience in hospitality management and software development.
