Bennigan's Grill & Tavern continues to expand abroad with a new opening in Amman, Jordan. The restaurant blends with the current culture and remnants of early civilization, while still providing guests with an Irish flare.

'This is Bennigan's first restaurant in this country and we are delighted to give the community a taste of the Irish-American experience,' said Eric Taylor, senior vice president of worldwide franchise operations for Bennigan's. 'We've had tremendous success abroad, and we are excited about the opportunity to expand the Bennigan's dining experience into this market.'

This is the first restaurant for franchise group Fine Taste Company and marks Bennigan's 53rd international location.
