The hotel was purchased last year by Trinity Hotels Investors, LLC, who appointed Crestline Hotels & Resorts as the management company.

The upscale 479 guest room Crowne Plaza St. Paul Riverfront has recently completed renovations and upgrades to its guestrooms, pool area, meeting space and lobby. Additional remodeling is now underway on the restaurant.

Mr. Bauchle brings more than 25 years of hospitality industry management experience to his position with Crestline. He began his hospitality career with Marriott Corporation where he held various management positions over 17 years and helped to open four hotels. He also held management and operations positions with The Adams Mark Hotel and the Mayfair Hotel, both in St. Louis. He was the General Manager at the South St. Paul Hotel & Conference Center and the Vice President of Operations for Falor Companies where he oversaw the management of 19 properties. Most recently he was a General Manager for Wirth Hotels in St. Paul, and worked with Integrity Hospitality where he helped design water park concepts.

"Peter brings extensive knowledge of the St. Paul market coupled with an excellent industry reputation for operations, service and leadership," said Dave Durbin, CEO and President of Crestline Hotels & Resorts. "We welcome his background in new hotel openings as we reposition this beautiful property as a truly upscale hotel serving the St. Paul community," added Durbin.
