Doubletree Hotels (NYSE:HLT) welcomes its 20th Southern California hotel to the brand's upscale, full-service hotel collection with the addition of the Doubletree Hotel Los Angeles/Commerce.

The hotel is located inside The Citadel, a California landmark that combines name-brand shopping at the Citadel Outlets with a touch of Hollywood cinema history. The Doubletree Hotel Los Angeles/Commerce and the adjacent business park are surrounded by the Assyrian-style castle wall that was used as a backdrop in the 1959 epic movie, Ben Hur. Located just eight miles from downtown Los Angeles along the busy Interstate 5 Commercial Corridor that connects Los Angeles with Orange County, the Doubletree also is located just two blocks from the famed Commerce Casino.

The 201-room Doubletree is operated by W2005 WYN Hotels, L.P. under a franchise license agreement with Doubletree Hotel Systems, Inc., a wholly owned subsidiary of Hilton Hotels Corporation. The hotel is managed by Surrey Hotel Management, LLC.

'Doubletree continues to make great strides in its current growth strategy, by aligning the brand with new hotel additions in key metropolitan areas that complement and enhance our brand's wide-ranging portfolio of upscale, full-service hotels and resorts,' said Dave Horton, senior vice president - brand management for Doubletree Hotels. 'From Santa Barbara to San Diego, our 20th Southern California Doubletree in the important business community of Commerce, Calif. demonstrates both a brand and a developer commitment that makes our Doubletree brand highly attractive in almost any market, while offering business and leisure travelers the quality, amenities and comfortable hotel atmosphere they're looking for in their home away from home.'

Stylishly furnished rooms at the Doubletree Hotel Los Angeles/Commerce feature modern must-haves including contemporary, residential-style furnishings; high-speed internet access; flat-screen televisions; two-line speakerphone; Wolfgang Puck(R) in-room gourmet coffee service and the brand's signature Sweet Dreams(R) by Doubletree Sleep Experience. Guest bathrooms now feature Neutrogena(R) bath and body products and curved shower rods that allow for 20% more space in the shower.

The 5,760 square feet of flexible and comprehensive function space can accommodate some of the area's largest special occasions and social events, with a capacity of up to 600. Wireless high-speed internet access (wi-fi) is available in all meeting rooms and public areas for guests, along with a 24-hour, self-service business center for those last-minute office needs, thereby also making the Doubletree Hotel Los Angeles/Commerce ideal for seminars, executive retreats and training sessions.

For year-round recreation and fitness at the beginning or end of a busy day, guests can simply head to the hotel's outdoor swimming pool, a whirlpool, and a newly upgraded fitness facility equipped with the latest in cardio and weight training equipment by Precor(R) Fitness. A harmonious blend of Northern Californian and Italian favorites welcomes guests to the hotel's Terra Nova Bar & Grille -- open for breakfast, lunch, and dinner. Guests also may relax with evening refreshments in the Terra Nova Lounge. If an in-room dining experience beckons, a delicious selection of room service options are available during peak hours.

Members of the Hilton HHonors(R) guest reward program may earn Points & Miles(R) for every qualifying stay at the Doubletree Hotel Los Angeles/Commerce. Hilton HHonors is the only hotel program that allows any of its members to reap Double Dip(R) earnings by simultaneously accumulating both airline miles and hotel points with each qualifying stay at more than 2,800 hotels worldwide.

"The name of our hotel may have changed, but all of the great faces and fine service remain the same, as all of our team members welcome visitors and local residents to experience the new benefits of the Doubletree Hotel Los Angeles/Commerce,' said Swietlana Cahill, hotel general manager.
