

Wyndham Vacation Resorts at Glacier Canyon Opens

2007-09-12

Wyndham Vacation Ownership, the world's largest vacation ownership company and a member of Wyndham Worldwide's family of companies (NYSE: WYN), today announced the opening of Wyndham Vacation Resorts at Glacier Canyon in Wisconsin Dells, Wisc.

The new, 102-unit resort is the only vacation ownership property located within the complex. It will operate in the company's Wyndham Vacation Resorts portfolio.

Adjacent to the Wilderness Hotel and Golf Resort, the property offers owners a chance to experience the exciting indoor and outdoor activities found in this popular vacation destination. Due to high owner interest for the area, Wyndham Vacation Ownership already planned for a 99-unit expansion at the resort. Construction of the expansion began in summer 2007.

'The Wisconsin Dells has long been a desirable vacation destination for many visitors, particularly guests from the Midwest, who enjoy the year-round activities found throughout the area,' said Franz Hanning, president & CEO, Wyndham Vacation Ownership. 'With this new resort we have the opportunity to offer our owners another fantastic destination experience. In addition, we can welcome new guests to discover more about vacationing with Wyndham Vacation Ownership at our world-class resort properties around the world.'

Featuring a lodge-style ambiance and design, the resort has a full range of well-appointed one-, two- and three-bedroom deluxe units as well as two-, three- and four-bedroom high-end Presidential suites. Each unit is equipped with a full kitchen, whirlpool bath, washer and dryer and gas fireplace.

Owners and visitors to Wyndham Vacation Resorts at Glacier Canyon will enjoy a multitude of year-round indoor and outdoor activities. Resort guests have access to indoor water parks with more than 200,000-square-feet of water activities, encompassing the equivalent of more than seven football fields, outdoor water parks, a snow tubing run and outdoor skating rink as well as local activities such as fishing, tennis, snow skiing, cross-country skiing, hiking, shopping and lake activities.
