2007-10-25

GCA to Provide Cash Access Services at Three Macau Properties Operated by Galaxy Casino S.A.

GCA (Macau) S.A., a subsidiary of Global Cash Access Holdings, Inc. (NYSE:GCA), will provide state-of-the-art cash access services to the Grand Waldo Casino, Rio Casino and the Waldo Casino. All three are Galaxy CityClubs properties operated by Galaxy Casino S.A.

GCA, the gaming industry's leading provider of cash access services, supplies approximately 1,000 casinos and other gaming properties worldwide with products and services that help patrons gain more convenient access to cash and enable gaming operators to improve operations and better serve, understand, attract and retain customers.

GCA will provide the Galaxy Casino S.A. casinos with credit card cash advance and debit card withdrawal transactions for patrons from GCA's in-casino QuikCash kiosks, as well as from in-casino cashiers. And for the Rio and Waldo Casinos, GCA will also operate machines that combine ATM functions, slot ticket redemption and bill-breaking services. In addition, personnel at these two casinos will benefit from GCA's web-based service, QuikCashPlus Web, which streamlines transactions and improves customer service.

Said Scott Dowty, GCA's senior vice president in charge of international business, 'We're happy to continue to help our casino customers in Macau give their patrons convenient, hassle-free access to cash and to provide the casinos themselves with more opportunities to operate effectively and profitably.'

The relationship with the three casinos is part of GCA's commitment to serve the gaming industry in Macau. Earlier this year, GCA opened a permanent office and product demonstration facility in Macau. During the summer, GCA entered into an agreement to provide comprehensive services to The Venetian Macao, a Las Vegas Sands Corp. property and the first resort hotel to open on Macau's Cotai Strip. GCA began serving other Macau casinos in late 2006.
