

The Fiji Islands Top Choice For The Dream Honeymoon Destination

2007-11-06

Honeymooner's Review Guide just completed a poll for couples in the process of planning their honeymoons and expressing where they would 'like' to go for their honeymoon.

The Fiji islands were the top choice for the dream honeymoon destination with 19% of the votes. It squeezed out the Hawaiian Islands with 18% and French Polynesia with 15%.

Michelle McKenzie, Vice-President of Honeymooner's Review Guide, noted that, "This poll does not necessarily indicate where they ended up going for their honeymoon, but where they would prefer to go. Often budgetary issues limit the final destination of honeymoon couples. Actually, the Hawaiian Islands are the number one final destination of those who complete our post-honeymoon survey."

The results of their latest poll are revealed here from highest to lowest as follows:

Top Honeymoon "Dream" Destinations

Fiji - 19%

Hawaii - 18%

French Polynesia - 15%

Europe - 15%

Thailand - 11%

Jamaica - 9%

Bali - 8%

Anguilla - 5%

So why are these honeymoon destinations so alluring? Fiji has 330 islands, some with private resorts and others totally deserted. When imagining a place with white sandy beaches, palm trees, beautiful coral reefs and seclusion, Fiji fits the profile perfectly. Along with this ambiance comes some of the best island hospitality. The Fijian people are always friendly, saying "Bula" (hello) at every turn, going out of their way to make you feel welcome and comfortable.

A honeymoon in Hawaii offers dramatic coastlines, volcanoes, lush, green forests, native Hawaiian culture, tropical breezes, white sand beaches, picture perfect sunsets and spectacular resorts. This is the magic that keeps bringing honeymooners to the Hawaiian Islands. Not only are the Hawaiian Islands a tropical paradise, but each is unique in its own beauty. Hawaii honeymoon destinations offer everything couples could want for the perfect tropical honeymoon.

French Polynesia is engraved in our minds with the exotic over-the-water bungalows that are a dream to most couples. Tahiti is the main island in French Polynesia, but the most popular islands to visit include Bora Bora and Moorea. For the best in luxury and exotic accommodations, French Polynesia is a top pick.

Top Honeymoon Resorts for these and other destinations are available on the website at <http://www.honeymoonersreviewguide.com>.
