Hotel Opens Minutes from Downtown Boston in Medford, Hotel is One of 100 to Open by Year-End

Hyatt Place Boston/Medford - just minutes from downtown Boston - opens today, bringing a new type of hospitality experience to Massachusetts. Hyatt Place, a new kind of hotel that complements Hyatt's full service brands, combines contemporary design with innovative services and amenities to create an atmosphere of casual hospitality.

'People's lives have changed in that they are constantly multitasking, often simultaneously performing professional and personal tasks. Until Hyatt Place, there wasn't a hotel that provided an environment that allowed guests to make a transition from their daily 24/7 lifestyle to life away from home,' said Alison Kal, vice president of marketing, Hyatt Corporation. 'Now, thanks to a combination of technology, service and amenities, Hyatt Place guests can seamlessly shift from home to the hotel in a way they couldn't before.'

Hyatt Place Boston/Medford features 157 completely renovated guest rooms and public areas. The hotel also offers guests a complimentary shuttle service within a four-mile radius for transportation to Tufts University and Davis Square in addition to nearby shopping centers, restaurants and office buildings.
