The Kyoto Grand Hotel and Gardens

The Kyoto Grand Hotel and Gardens offers a first class guest experience. The 21 story hotel offers a unique Japanese Garden in the Sky on its third floor. The traditional one-half acre garden is a miniature version of a 400 year old strolling garden found in Japan. It follows the seven principals of Zen, as do all Japanese gardens. The garden is a favorite retreat for guests, as well as a popular location for weddings and other festive events.

There are 434 guestrooms and suites including three Japanese Suites with 'tatami' rooms. Each guestroom is comfortably appointed with a seating area, a work desk, two telephones and high speed wireless Internet access. For dining the hotel has a selection of three restaurants and two lounges to choose from, as well as a Starbucks coffee bar.

The Kyoto Grand Hotel and Gardens has 6,500 square feet of meeting space that can accommodate up to 500 people for business and social functions. Additional hotel amenities include a Business Center, a Fitness Center, a Sanwa Health Spa featuring Shiatsu massage, underground parking, and adjacent shopping.

The hotel is located at 120 South Los Angeles St, Los Angeles, CA, 90012. It is near the Convention Center and is easily accessed from I-5 and all major Los Angeles freeways. It is 20 minutes from Los Angeles International Airport. For more information and reservations: 213.629.1200
