2007-12-13

Rosewood Hotels & Resorts announced that Bald Mountain de Mexico's ultra-luxury resort currently in development in San Miguel de Allende, Mexico, will be a Rosewood Resort

Opening in late 2009, Rosewood San Miguel de Allende will combine an intimate ultra luxury resort, private residences and a spectacular spa, with the local charm and culture of San Miguel de Allende, a historical colonial town located in the mountainous state of Guanajuato in central Mexico.

Located within the historical heart of downtown San Miguel de Allende, Rosewood San Miguel de Allende will present 63 beautifully appointed guest rooms, including 15 deluxe guest rooms, 46 spacious suites, and two multi-bedroom presidential suites encompassing more than 1,700 square feet each. All rooms will have luxurious amenities such as fireplaces, balconies and private outdoor terraces, many of which will include a plunge pool. The resort will also feature a Rosewood spa, which will provide guests one-of-a-kind ambience, style and attention to detail. Food and beverage offerings will include casual and fine dining restaurants, a rooftop lounge and tapas bar, and a wine and tequila cellar, which will be available for intimate private dining events.

The resort, which will define luxury in San Miguel de Allende, will also include some of central Mexico's most unique residences, the Artesana Rosewood Residences, which will be available for sale in 2008. Crafted by local artisans with the look and feel of Old San Miguel, the residences will capture the historical essence of Mexico's most beloved town. There will be two-, three-, four- and five-bedroom residences, ranging from 1,800-square-foot casitas to 7,500-square-foot villas. Residents will have full access to all resort amenities.

'We are delighted with Rosewood's involvement in Rosewood San Miguel de Allende and Rosewood Artesana Residences,' said Scott Writer, a principal of Bald Mountain de Mexico. 'The Rosewood brand is an international symbol of quality and luxury in the hospitality industry and is the ideal partner for our newest development in San Miguel de Allende,' said Writer.

'We are so pleased to announce Rosewood San Miguel de Allende and our relationship with Bald Mountain de Mexico,' said Mr. John M. Scott III, President and Chief Executive Officer for Rosewood Hotels & Resorts. Bald Mountain is an excellent development partner for Rosewood,' Mr. Scott added.
