Homewood Suites' seventh hotel in Canada

Homewood Suites by Hilton, the international brand of upscale, all-suite, residential-style hotels, has opened the 101-suite Homewood Suites by Hilton hotel Toronto - Markham, Ontario. The hotel is owned and managed by Woodbine 407 Hospitality and represents another addition to the growing roster of more than 210 Homewood Suites by Hilton hotels nationwide.

'The new hotel's location, 15 miles from the Pearson Toronto International Airport, makes our city an ideal market for an upscale, extended-stay hotel like Homewood Suites by Hilton,' said Amar Samuel, General Manager.

'Our hotel is designed for guests who stay for five or more nights, but is also perfect for short stays and families who need to feel more at home while they are traveling,' Amar Samuel said. 'We are the ideal place for those travelers who are away from home or the office for several days but still need to have a full kitchen, executive business center and complimentary high-speed Internet access.'

The Homewood Suites by Hilton Toronto-Markham address is: 50 Bodrington Crt., Markham, Ontario L6G 0A9. The hotel is conveniently located near many local tourist attractions including shopping within a .5 mile radius and a Paramount Canada's Wonderland.

The 6-story Homewood Suites by Hilton Toronto-Markham, Ontario, Canada features residential-style studio, one- and two-bedroom suites with fully equipped kitchens and spacious sleeping and living areas that are large enough for work, study, entertaining or relaxing. In an effort to help guests be more productive, complimentary high-speed internet is available in each guest suite, as well as in the Lodge and meeting rooms. In addition, the Hilton Family of Hotels custom-designed its own clock for each guest suite, featuring one of the easiest-to-set alarms. What's more, the new clocks also feature a connection cable for MP3 players and other portable music devices including ipods, an addition Hilton made after research revealed that consumers prefer to maintain their own music lifestyles while on the road.

Launched in 1989, the Homewood Suites by Hilton brand today has more than 210 hotels open with another 125 in the pipeline. Beyond its spacious suites and home-like amenities, Homewood Suites guests can find at each hotel an on-site Suite Shop convenience store, exercise facility and guest laundry at most locations. Guests can also enjoy a daily complimentary Suite Start(R) hot breakfast and a Welcome Home reception featuring a complimentary light meal and beverages Monday-Thursday evenings.
