IHG (InterContinental Hotels Group) announced today that the 238-room Crowne Plaza Cleveland Airport is open and accepting reservations.

'We are pleased to welcome our second Crowne Plaza hotel to the Cleveland market,' said Gina LaBarre, vice president, Brand Management, Crowne Plaza Hotels & Resorts. 'Our business guests will appreciate the hotel's 16,000 sq.-ft. of flexible meeting space, and leisure guests will enjoy the close proximity to Cleveland's sport, entertainment and business venues.'

The hotel is conveniently located near the Cleveland-Hopkins International Airport, Interstate 71, Interstate 480, and the Ohio Turnpike (Interstate 80). Nearby attractions include the International Exposition Center, Cuyahoga County Fairgrounds, Progressive Field, home of the Cleveland Indians, Quicken Loans Arena, home to the Cleveland Cavaliers, Cleveland Browns Stadium, and the Rock & Roll Hall of Fame. The hotel is also within driving distance to several key businesses, including NASA Glen Research Center, Ford Motor Company and UPS.

The Crowne Plaza Cleveland Airport features the Crowne Plaza Sleep Advantage program, which is available at all Crowne Plaza hotels in the Americas. Sleep Advantage encompasses the entire sleep experience, from training staff on how to create and maintain a restful environment to providing innovative products and services. Program components include new bedding, guaranteed wake-up calls, designated quiet zones, night lights, drape clips, sleep CDs, sleep tips and amenities such as eye masks, ear plugs and lavender spray.

Also consistent with the Crowne Plaza brand, the hotel offers a comprehensive meetings package to ensure a seamless planning process and exceptional meeting experience consisting of three key components: a Two-Hour Response Guarantee, Crowne Meetings Director and a Meetings Daily Debrief. The hotel currently offers over 16,000 sq.-ft. of flexible meeting space in 16 meeting rooms, including two tiered amphitheater rooms and the Grand Ballroom, which can host up to 800 guests.

The Crowne Plaza Cleveland Airport has recently completed a property-wide renovation. The hotel offers an indoor pool, as well as a fitness center and business center. On-site restaurant Buccis, a steakhouse with an Italian influence, serves breakfast, lunch and dinner. Complimentary wireless and wired Internet access is available throughout the hotel.

The Crowne Plaza Cleveland Airport is owned and operated by Toledo Inns, Inc., under a license agreement with a company in the InterContinental Hotels Group.

The property is located at 7230 Engle Road, Middleburg Heights, Ohio.
