Seven Hotels on Portugal's Coastline and the Island of Madeira Added to Portfolio

WORLDHOTELS is pleased to announce an extension of its partnership with Tivoli Hotels & Resorts. Seven additional resorts on Portugal's coastline and the island of Madeira have just been added to the WORLDHOTELS portfolio. The successful partnership started as early as 1978, when the first Tivoli property in Lisbon became an affiliate hotel, and by 2007 a further four properties in Portugal had joined the international hotel group. Tivoli Hotels is part of the Portuguese Espírito Santo Group and operates elegantly furnished four and five star hotels in attractive locations in Portugal and Madeira. The hotel group focuses on traditional Portuguese hospitality combined with excellent service and first-class quality.

The seven new Tivoli resorts are: Tivoli Carvoeiro, Tivoli Marina Portimão, Tivoli Coimbra, Tivoli Lagos at the Algarve, Tivoli Marina Vilamoura, Tivoli Madeira in Funchal and Tivoli Sintra.

'We are looking forward to extending this committed, most supportive partnership,' said Ingo Guerges, WORLDHOTELS' Senior Director Business Development and Relations. 'Working with Tivoli Hotels for 30 years, we take pride in now representing the group's entire Portuguese portfolio. Each Tivoli Hotel will now benefit from the wide range of services provided by WORLDHOTELS. In 2008, they kicked off with numerous training initiatives as well as various sales and marketing activities. Our 30 sales offices worldwide organise annually more than 200 scheduled activities for our affiliate hotels targeting various business needs'.
