

ReServe Interactive Receives IQ Award for Hospitality Management Software Solutions

2008-04-16

ReServe Interactive, a leader in hospitality management software solutions, has been awarded the 2008 IQ (Innovation Quotient) Award by the Small Business Times. This award is given annually to southeastern Wisconsin companies creating innovative products, services or processes in business.

The company was recognized for its Catering and Event Management, and Dining Reservations and Table Management software applications. Lynn Carter, the company's vice president and chief technology officer, will represent ReServe Interactive at the IQ Awards Luncheon held during the fourth annual Small Business Times BizTech Expo in Milwaukee, Wis., on April 30, 2008.

About ReServe Interactive
