

## Health Care Customer Service

2008-04-21

---

The Scores are in, across the United States, regarding Customer Service results for Health Care Facilities. How did you do?

Make no mistake about it. How you engage your patients and visitors in your Hospital or Medical Center is now recorded and becomes another means for them to make a decision - to utilize your services or go elsewhere. We can help:

This is a competitive era and reputations (not to mention financial stability) are on the line.

It is about the Experience!
