### 126-Room Hotel Just Minutes From Downtown Nashville

Hyatt Place Nashville/Franklin/Cool Springs - just 10 miles from downtown Nashville - opens today, making it the fifth Hyatt Place hotel in the Nashville area. Hyatt Place, a new kind of hotel that complements Hyatt's full service brands, combines contemporary design with innovative services and amenities to create an atmosphere of casual hospitality.

'People's lives have changed in that they are constantly multitasking, often simultaneously performing professional and personal tasks. Until Hyatt Place, there wasn't a hotel that provided an environment that allowed guests to make a transition from their daily 24/7 lifestyle to life away from home,' said Alison Kal, vice president of marketing, Hyatt Corporation. 'Now, thanks to a combination of technology, service and amenities, Hyatt Place guests can seamlessly shift from home to the hotel in a way they couldn't before.'

Hyatt Place Nashville/Franklin/Cool Springs features 126 completely renovated guest rooms and public areas. The hotel is ideally located near Nashville/Franklin's most popular attractions, including Historic Franklin, The Governor's Club, Corporate Centers and The Vanderbilt Legend's Club. The hotel is also just a short distance to more than 100 restaurants and entertainment venues in the Cool Springs area.

In addition to Hyatt Place Nashville/Franklin/Cool Springs, Hyatt Place also offers Hyatt Place Nashville/Opryland, Hyatt Place Nashville Airport, Hyatt Place Nashville-Northeast and Hyatt Place Nashville/Brentwood.
