

InnQuest Software Canada And Ownerrelations Technology Form Alliance To Deliver Fractional Ownership, And Condo Hotel Software Solution

2008-05-12

roomMaster 2000 and OwnerRelations Technology combine as a comprehensive solution to meet Fractional Property and Condominium Hotel software requirements

OwnerRelations Technology and InnQuest Software Canada have partnered together to offer a comprehensive property management software solution for Fractional, Whole Ownership Condo Hotels, and Vacation Property Managers. InnQuest Software Canada, specializing in hospitality industry software systems and solutions and has become a proud supplier of OwnerRelations Technology.

'This is a great opportunity for Property Managers that require a robust hospitality software package that addresses the requirements of Fractional Ownership, Mixed use and Condo Hotel management', says Frank Franchini, President of OwnerRelations Technology. 'roomMaster 2000 is an excellent solution for managing hotel operations, and OwnerRelations Technology provides the homeowner accounting, owner calendar rotation, and owner web portal that are required for whole and fractional homeowner management.'

'We are pleased to have entered into an agreement with OwnerRelations Technology', says Paul Barnes, President of Innquest Software Canada. 'Everything that we have seen about OwnerRelations Technology has been positive. We are looking forward to a long and mutually fruitful relationship. The OwnerRelations product adds another level of professionalism to our flagship product - RoomMaster Property Management System. By adding OwnerRelations Technology to its growing solutions portfolio, InnQuest Canada is able to offer all the technological needs for the all facets of the hospitality industry.'
