Hampton opened 11 properties in April 2008, representing 1,135 new rooms. The new openings include one Hampton Inn hotel, eight Hampton Inn & Suites properties and two Hampton Inn & Suites by Hilton properties. All openings are franchised, newly constructed hotels.

'As our development pace continues to set record levels this year, we are thrilled with the demand for construction of our Hampton Inn & Suites product,' said Phil Cordell, senior vice president, Hampton Hotels. 'With the opening of 10 Hampton Inn & Suites hotels this month, it is clear that our suites product will continue to be a major player in the mid-scale hotel market.

'We also are happy to announce that two Hampton Inn and Suites hotels have opened in Alberta, Canada this month, bringing our total hotel count in the country to 23, with four hotels currently under construction and scheduled to open by year-end 2009.'
