The five-star resort will feature luxury one and two bedroom apartments, most with ocean and island views, and several penthouses, each with a roof top terrace, sun deck and some with their own lap pool. Also featured will be beachfront duplexes and lofts with private swimming pools. Formula 1 Grand Prix World Champion Kimi Räikkönen will be a regular at the resort as he has purchased one of the beachfront units.

Each apartment will be finished with the highest quality materials. Resort amenities will include a beachfront clubhouse, infinity pool, sports gym, holistic spa services and beachfront restaurant/bar. Additional amenities, called Serenity Toys, will include a speed boat, two Hobie Cats and four kayaks. More information is available at www.serenity-terraces.com.

'Outrigger Enterprises has a long history of trusted property management and quality hospitality and we're delighted to have brought them on board.'

'We are looking right now at potential hotel projects in Koh Samui, Pattaya, Krabi and Hua Hin in Thailand, Hainan Island in China, Okinawa and Vietnam and also have a number of other destinations targeted for future consideration. This is an exciting time for Outrigger as we continue to grow throughout the Asia-Pacific region.'
