

Holland America Line's ms Eurodam Offers Top-Deck Spa Staterooms

2008-06-18

New Stateroom Locations, New Amenities on Signature-Class Ship

Holland America Line's new ms Eurodam is taking guests to new heights with 56 luxury Spa Staterooms located on the two highest decks of the Signature-class ship. The 2,104-guest Signature-class Eurodam is the first ship in Holland America Line's fleet to offer spa accommodations.

The Spa Staterooms, so named because of their proximity to the Greenhouse Spa and Salon and special in-room spa amenities, offer their own ambiance, providing unmatched relaxation, privacy and serenity. Located on the Panorama and Observation decks, each room reflects a nature theme with walls of soft earth-tone hues, bright, fresh green accent colors echo nature's own, organic, fern-like patterns adorn the bed runner and pillows, and charcoal-colored carpeting ties together all the elements. A water feature in each stateroom provides a natural, soothing ambient background sound.

"The spa experience is more compelling for today's premium vacation experience," said Richard D. Meadows, executive vice president, marketing, sales and guest services. "Our spa staterooms are a result of this trend and we expect them to be popular as more and more of our guests seek the ultimate in relaxation."

Amenities in the Spa Staterooms include organic cotton bathrobes and slippers, a Burmese teak mat for bath and shower and an invigorating showerhead, as well as a Body Buff Loofah Mitt and aroma therapy bath salts. In addition to standard stateroom furnishings, Spa Staterooms also include an iPod(R) docking station, a Yoga mat, a pedometer for use aboard ship, Fitness DVD, a no-host minibar stocked with specialty waters, a cut-fruit tray at embarkation and a spa concierge to book treatments.

Nightly turn-down pillow gifts also reflect a natural theme and include organic chocolate truffles, orchids and a line of chocolates called Elements, herbal infused chocolates blending delicious Belgian chocolate with specialty herbs known for their calming and relaxing benefits - a delicious alternative to help guests sleep sweetly.

Guests booking any of the Spa Staterooms may order exclusive spa stateroom-only packages in advance or during the cruise for Greenhouse Spa and Salon services. Four packages include Body of Indulgence with a hot stone massage and facial bamboo massage for \$256 and Skin Renewal with facial rejuvenation acupuncture and marine facial for \$289. Other packages feature His Sanctuary with grooming treatment and shave and deep tissue massage for \$189 and Bliss for Two couple's cabana massages for \$242.

An in-room dining breakfast card features a selection of Greenhouse Spa breakfast items including fresh-squeezed orange or grapefruit juice, fresh carrot juice, an inviting plate of fresh fruit, healthy bran muffins, a combination of fresh fruit, yogurt and Kashi granola, a selection of eggbeater or egg white omelets, turkey bacon, chicken apple sausage or an organic soy meatless patty.

An all-day room service menu offers Greenhouse Spa selections that vary daily based on selections in the main dining room. Guests may also order from the standard room service menu.

The 56 Spa Staterooms include two Superior Verandah Suites, 36 Deluxe Verandah Outside Staterooms, four Large Ocean-view Staterooms and four Large Inside Staterooms on Panorama Deck. The 10 Spa Staterooms on Observation Deck are all Deluxe Verandah Outside rooms with floor-to-ceiling windows and scalloped verandahs.

Eurodam debuts this summer with European inaugural festivities, including a July 1 naming ceremony in Rotterdam with Her Majesty Queen Beatrix of the Netherlands, followed by a maiden voyage in the Baltic region. The ship will offer its first trans-Atlantic cruise and sail Canada/New England in the fall, followed by Caribbean itineraries the remainder of 2008.
