

VIZERGY(TM) - Fast and Furious Growth

2008-07-09

Named one of 50 Fastest Growing Private Companies in NE Florida

The Jacksonville Business Journal recently released its 17th annual list of 50 private companies who have maintained significant growth. VIZERGY™, formerly SECURE-RES, a Jacksonville, FL based hotel Internet marketing company, made the prestigious list for the second time. The list is based on continuous revenue growth over the previous three years, and only companies with a minimum of \$1,000,000 in annual sales are eligible. VIZERGY is excited to receive this recognition and optimistic about making the list again in 2009.

From 2005 to 2007, VIZERGY realized a drastic increase in revenue. As a result of this surge, even in the face of a struggling economy, VIZERGY recently added new employees to its sales and marketing teams. The company predicts steady growth over the next several years, especially as it pursues additional expansion into the global market, rolls out new, innovative products and continues to provide exemplary customer service.

'I am honored that we are one of the fastest growing businesses in North Florida. This award, combined with an amazing five Adrian Awards earlier in the year for best of Web marketing, is a testament to the dedication of our outstanding team and the success of our clients,' says VIZERGY President and CEO Joe Hyman.
