

Downtown Dallas Hotel Celebrates Opening of New Ballroom, Offers Special

2008-07-25

The Hilton Garden Inn Dallas Hotel/Market Center, one of the leading Dallas convention center hotels, is proud to announce the opening of their new 2,940 sq. ft. Grand Ballroom.

The Grand Ballroom was designed with elegant yet functional décor to accommodate the wide variety of functions that Dallas event planners are looking for including family and class reunions, social gatherings, retirement parties, quinceañeras, beautiful Dallas weddings, and corporate meetings and retreats. The space is perfect for round table banquets of up to 200 guests with room for an extra 75 for theatre-style presentations. For chic standing room-only receptions, 300 guests may be accommodated.

Eager to show off the new space, the Dallas Market Center hotel is also offering a limited-time holiday reception special. Any reception booked between now and September 30, 2008 to take place any Sunday-Thursday evening this December will receive a complimentary half-hour Hors D'oeuvres service. Reception must include at least 75 guests and December 23, 24, 30, and 31 are excluded from the offer.

The standard-setter in mid-priced, full-service hotels, Hilton Garden Inn makes event planning easy with e-Events. This exclusive Hilton software allows event planners to reserve space, select catering, hold up to 25 guestrooms, and even create a custom event webpage all with a few clicks of a mouse. Planners may email a personalized invitation to all attendees who are then able to RSVP and even reserve a room right from the invitation.
