

HITEC Searches for Education Topics for 2009 Conference

2008-08-11

Hospitality Financial and Technology Professionals (HFTP(R)) and the 2009 Hospitality Industry Technology Exposition and Conference (HITEC (R)) Advisory Council are seeking education topic proposals for HITEC 2009. The topic proposal deadline is August 27, 2008. HITEC, produced by HFTP, is June 22-25, 2009 at the Anaheim Convention Center in Anaheim, Calif. USA.

"Each year the HITEC Advisory Council strives to organize a conference that addresses industry topics that are on the forefront of professionals' minds," said 2009 HITEC Advisory Chair Scot Campbell, vice president of business solutions for CityCenter MGM Mirage Inc. "HITEC's education program is a great way for professionals to learn about and discuss important industry issues. Anyone that has a hospitality technology issue they'd like to present is encouraged to submit a proposal."

Those that have a topic that explores new issues and practical solutions that meet the needs of hospitality technology professionals are encouraged to submit a proposal. Guidelines and submission forms are available on HFTP's web site. After November 8, 2008, HFTP will notify those chosen by the HITEC Advisory Council.

HITEC is the world's largest hospitality technology exposition and conference. It offers a unique combination of top-notch hospitality technology education, led by industry peers and experts and an unparalleled trade show showcasing the latest hospitality technology products and services.

For more information about submitting a proposal, contact HFTP at education@hftp.org, (800) 646-4387, +1 (512) 249-5333 x24 or visit www.hitec.org.
