The area also plays host to some of the world's most prominent sport fishing events, including Bisbee's Black & Blue Fishing Tournament and the Los Cabos Offshore Fishing Tournament.

Raffles Cabo San Cristobal is a short distance from Los Cabos International Airport, which is served by several international airlines, including American Airlines, United Airlines and Continental Airlines offering flights from North American gateway cities such as Chicago, Los Angeles, San Francisco and New York City.

It encompasses the towns of Cabo San Cristobal, Cabo San Lucas and San José del Cabo. For decades, Cabo San Lucas' legendary 'Marlin Alley' has lured sport fishing aficionados and celebrities, today the city has grown to become a bustling hub for cruise ships, golfers and fans of water sports. Cabo San Cristobal is only about 11 km from Cabo San Lucas, a short drive away.
